## CHAPTER 9

 LOCAL CHAPTER ADMINISTRATION AND OPERATIONSection 1. Local Chapter (aka "Chapter") Officers. Chapter officers shall be a president, a vice president, a secretary, and a treasurer.

Section 2. Officers' Duties
Officers shall perform the duties prescribed by KPR and chapter bylaws, rules, and Policies and Procedures, and the adopted parliamentary authority.

Each of the established chapters assigns varying duties to its officers. For example, the vice president of one chapter may be responsible for planning programs for monthly meetings, whereas another chapter may assign this responsibility to the program chair or to the president. The following provisions are to serve as a guide for Local Chapters.

New officers should meet with outgoing officers to transfer files and to learn first-hand what the jobs they are assuming entail and how the outgoing person performed the duties. Current officers should offer suggestions or present ideas to assist new officers in performing the duties of their position.
A. President. The president is responsible for overall leadership of the chapter. The president:
-- Shall preside over the membership and board meetings.
-- Shall appoint chapter committee chairs, subject to board approval.
-- May appoint chapter county coordinators, subject to board approval.
-- Shall approve all pay documents.
-- Shall attend State Board meetings as a member of the State Board, or designate a member to do so.
-- Shall ensure that members are kept informed of meetings and upcoming events.
-- Shall carry out other duties assigned by the board.
B. Vice President. In the absence of the president, the vice president shall:
-- Exercise all functions of the president's office.
-- Succeed to the office when it becomes vacant.
-- Carry out other duties assigned by the board.
C. Secretary. The secretary is responsible for keeping records and taking care of correspondence and other writing tasks for the chapter. The secretary:
-- Shall record proceedings of chapter meetings and present minutes at the next meeting.
-- Shall send meeting notices to county coordinators to notify all members either by telephone, postcard, E-mail, or other type of electronic media; if there are no county coordinators, the secretary shall ensure that all members are notified.
-- Shall carry out other duties assigned by the board.
-- May submit chapter news for The Kernel to the coordinator.
D. Treasurer. The treasurer is the financial officer of the chapter. The treasurer shall:
-- Have custody of all funds of the chapter.
-- Deposit all chapter funds into the chapter account in a timely manner.
-- Disburse funds of the chapter only at the direction of the chapter president or the board.
-- Keep full and accurate accounts of receipts and disbursements.
-- Prepare and present a report of chapter finances to membership at each chapter meeting.
-- Forward appropriate financial records at end of each fiscal year to the chapter audit chair.
-- If a newly organized chapter, establish a bank account. Each chapter uses the same tax identification number as the State organization does. That number is available from the Administrative Manager and the State Treasurer. The bank will assign the chapter its own individual bank account number.
-- Carry out other duties assigned by the board.
Section 3. Nomination and Election of Local Chapter Officers
Nomination and election of local chapter officers shall be as specified in the respective chapter's bylaws. The KPR Bylaws state that chapters shall annually elect a president, a vice president, a secretary, and a treasurer. The bylaws of each chapter shall state nominating and election procedures and terms of office. Generally, officers serve a term of one year, from July 1 to June 30. They may be eligible for re-election.

The nominating committee chair is responsible for presiding over the committee's activities for nominating candidates for officers. Duties of the committee include:
-- Discuss potential officer candidates.
-- Speak with and encourage members to consider serving as chapter officers.
-- Identify, secure consent, and prepare a slate of nominees in good standing to serve as president, vice president, secretary, and treasurer for presentation to the chapter.
-- Present the slate of nominees for election to office at the annual meeting for receiving annual reports, election of officers, and any other business that may arise.

Chapter presidents shall notify the Administrative Manager by June 30 of the names, addresses, and telephone numbers of chapter officers and committee chairs for the new year. The Administrative Manager must have this information to distribute to the State Officers and State Chairs.

Section 4. Local Chapter Standing Committees and their Duties
Chapter standing committees are: Audit, Legislative, and Membership and may include Program committee.
A. Audit Committee. Duties of this committee include performing audits of the chapter treasurer's records and submitting the audit report to the State Audit Chair each year in accordance with instructions from that chair. The chapter chair shall serve on the State Audit Committee.
B. Legislative Committee. Each local legislative committee may have representation from the State Employees, County Employees, and State Police employees' systems. The legislative chair shall:
-- Serve on the State Legislative Committee.
-- Keep chapter membership informed.
-- Coordinate legislative activities for the chapter such as telephone calls, attending legislative committee meetings, etc.
C. Membership Committee. The membership chair shall:
-- Serve on the State Membership Committee.
-- Work with the State Membership Chair in recruiting new members and retaining members.
-- Work with county coordinators to develop membership in their areas; perform this task or refer it to a member of the committee where there are no county coordinators. -- Follow up on efforts to get members who are delinquent to pay their dues to renew membership.
-- Ensure that letters are written to recent retirees informing them of KPR's purpose, inviting them to join KPR, and enclosing KPR's application brochure, which describes KPR purposes, membership benefits, and membership eligibility, and includes an application.
-- Ensure that "welcome" letters are written to new members, informing them of chapter meeting information and activities.
D. Program Committee. The program chair is responsible for planning programs for the monthly meetings.

## Section 5. Local Chapter Special Committees

A. Awards Committee. The chapter is encouraged to have an awards committee, which shall be responsible for soliciting nominations for and selecting KPR members to receive awards for outstanding leadership on behalf of KPR or who have demonstrated "special assistance" to the welfare of others.
B. Other Special Committees. The president, with board approval, may create and appoint special committees as the need arises.

Section 6. Local Chapter County Coordinators

If the chapter chooses, a county coordinator may be appointed for each of the counties within the chapter area. County coordinators ideally should be able to find contact information for prospective members, particularly those recent retirees who live in a county other than their work county; have basic computer skills; perhaps still have some connections in various state agencies; and be enthusiastic about KPR and willing to follow up as indicated.

The coordinators shall:
-- Act as liaison between the chapter board and the membership in their respective counties.
-- Set up telephone networks to notify members and prospective members of chapter meetings, legislative bills that need to be acted upon, and any other items that local members need to be informed of quickly.
-- Work with the membership chair in recruiting new members in the area and work to retain members, including contacting members who have not renewed their membership.

Some of their duties related to members/prospective members assigned to them might be:
a) Identifying and compiling information necessary for mailing letters about membership.
b) Contacting members about various issues, such as recruiting them to write letters to or call legislators, encouraging them to subscribe to the KPR alert system, attend meetings, etc.
c) Perhaps keeping those members who do not have E-mail informed about information not in The Kernel yet.
d) Keeping the State Membership Chair informed about changed information so that chair can update her/his records and submit it to the AM for his/her records.
e) Encouraging those members on the "non-renewal" list to pay their dues.
f) Perhaps helping with letters to prospective members and "welcome" letters to new members.

## Section 7. Communications to Members

Chapter officers and other leaders communicate with members by making announcements in The Kernel; calling members directly; sending postcards, letters, or E-mail messages; or advertising in the local newspaper. A telephone network may also be used to enable members to quickly respond to particular needs, such as informing members of the needs of the State Legislative Committee, to attend meetings, call their legislators, etc. The telephone network should be organized and in place before the need arises.

To organize such a network, the chapter president shall designate a chapter member(s) to handle the responsibility. (See the chapter about communications to members.)

KPR also communicates through its website (www.kentuckypublicretirees.org) and Facebook page (Kentucky Public Retirees).
A. Meeting Notices. Meeting notices shall include the date, time, and place.
B. Location and Time. Establishing a favorable location and time for chapter meetings is important for optimal attendance. Some things to consider in selecting a meeting place are centrality, cost, convenience, parking, and room space. Some chapters select a restaurant where the members can meet for lunch and have their program and business meeting afterward. Some chapters set a standard meeting place and time for each month. (Example: Set the meeting for the third Tuesday of each month at 11:30 a.m. for lunch followed by a program and business meeting at XYZ Restaurant.) Other chapters prefer to rotate their meetings among the various counties within their area.
C. Type of Meetings. The meeting agenda may vary depending on the need and time of year. For example, when the legislature is in session, it may be necessary to allow more time for taking care of business. At other times of the year, entertainment may be the highlight of the meeting. Some chapters plan a potluck picnic during the year. If a chapter has done something that was a big success with its members, it will often become an annual event.
D. Speakers and Entertainment. One needs only to consider the variety of interests of retirees to select speakers or entertainment for meetings. Retirees are interested in financial planning, insurance, health topics, travel, retirement benefits, gardening, etc. Speakers may be obtained through universities, pharmacies, insurance companies, local government agencies, chambers of commerce, travel agencies, local clubs, the Retirement System, etc. Entertainment is often acquired through members or acquaintances of members, local churches, etc.

Invitations to speakers/presenters should specifically state what compensation/expense reimbursement will be provided by the chapter. Most chapters offer the speaker or entertainer a complimentary lunch as compensation.

## Section 9. Financial Matters

A. Compensation and Expenses. All officers, county coordinators, committee chairs, and members shall serve without compensation. Expenses shall be allowed within limits prescribed by the chapter board.
B. Reimbursement Procedures for Expenses covered by Local Chapters.

Reimbursement for travel expenses shall generally follow those guidelines as set forth in the state administrative regulation "200 KAR 2:006: Employees' Reimbursement for Travel" except for any specific restrictions outlined below.

1) Travel Expenses. For allowable expenses covered by the Local Chapter, a Travel Expense Voucher (see "Exhibits") with receipts must be submitted to the chapter treasurer for reimbursement. All travel is subject to approval of the chapter president or his/her designated representative. Where possible, travel via automobile should be shared. Travel alone when shared transportation is available shall not be reimbursed except in extenuating circumstances as determined and approved by the president or his/her designee.

Travel Expenses include:
-- Auto Expenses. Mileage for in-state and out-of-state travel shall be based on the Kentucky Official Highway Map, MapQuest website, Google Maps website, or similar web mapping service. Reimbursement for mileage of a privately-owned vehicle shall be at the rate designated on the Office of the Controller's website and adjusted quarterly.
-- Lodging. Receipted overnight lodging during the course of authorized travel is reimbursed at cost. The single rate for lodging is paid for travel when only one person is a KPR member in authorized travel status or when only one of two KPR members is in authorized travel status.
-- Meals. Meal expenses incurred during the course of authorized travel shall be reimbursed based on receipts submitted with the travel voucher at an amount set forth by the Secretary of Finance and Administration Cabinet in accordance with the aforementioned administrative regulation.
2) Expenses other than Travel. Claims for expenses other than travel expenses shall be submitted on the Miscellaneous Expense Voucher (see "Exhibits"). Such expenses include the following:
-- Postage and Printing/Copying Expenses. Receipted postage and printing/copying expenses shall be reimbursed at cost.
-- Telephone Calls. Telephone calls relating to KPR business shall be reimbursed upon itemized statements showing date, person called, location, purpose, and charges. -- Miscellaneous. Other expenses must be approved in advance by the president or a designated representative.
C. Reimbursement Procedures for Expenses covered by the State Organization

For allowable expenses covered by the State organization as detailed in this Policies and Procedures Manual, the applicable expense voucher with receipts shall be submitted to the State Treasurer in accordance with procedures set forth in the chapter on state administration and operation.
D. Recommended Chapter Treasurer Procedures and Reports

Certain elementary accounting procedures are necessary to enhance a degree of uniformity among the chapters and the audit process annually. It is equally important that chapter treasurers have some guidelines that will help them with the duties listed for chapter treasurers in this manual.

The following procedures offer some safeguards for the treasurer and the chapter. -- Though chapters generally have few financial transactions during a month, full and accurate records must be maintained in order for chapters to monitor their finances.
-- Make deposits of chapter income within ten (10) working days.
-- Disburse chapter funds only at the direction the of the chapter president or board.
-- A ledger should be used for the purpose of a current record of all income, disbursements, and balances. At the end of the year, the ledger will also help the treasurer and the auditor track and reconcile income and disbursements. The ledger should have three columns or more to reflect income, disbursements, and balances. Such a ledger should also provide space for the date and description of each transaction.
-- Each item of income or disbursement should be listed on a separate line in chronological order listing: Date/Description of Transaction/ Income/ Disbursement/Balance.
-- Every expense should be documented by an invoice, receipt, expense voucher, memorandum, or copy of chapter minutes approving payment.
-- Unusual expenses and special authorizations by the chapter (charitable donations, speaker fees, special outings, monetary award, disbursements to members, etc.) not having an invoice, receipt, or voucher should be documented with copy of chapter minutes OR brief memorandum approved by chapter president documenting the chapter action approving the payment.
-- Retain all documents supporting chapter income and disbursements - deposit slips, bank statements, cancelled checks, invoices, receipts, expense vouchers, memorandums and copies of chapter minutes documenting expenses, and any other documents or reports pertaining to chapter finances.
-- Interest income on savings account or CD being paid directly to the checking account would be added to the checking account records as an income item.
-- The value of certificates of deposit and saving accounts should not be included in the monthly checking balances since it will make the monthly reconciliation process more difficult. The only time for these balances to be added together is for the purpose of showing Total Chapter Balances for any report requesting this total.
-- Computer printouts with the necessary information will be acceptable for treasurers who keep their ledger by computer.
-- Treasurer reimbursing him/herself for expenses should also have chapter president sign the check OR the receipt OR a brief memorandum approving the payment. This won't be necessary for chapters that require two signatures on checks.
-- Soon after December 31, the end of the fiscal year, the treasurer should reconcile all chapter funds for end of the calendar year balances, completing the Chapter

Treasurer's Annual Financial Summary report for the fiscal year just ended. This will help ready the chapter records for the audit process and get the new calendar year started with necessary beginning balances. Forms for the financial summary can be copied from the Exhibits section in the back of this manual. -- Prepare and send the Treasurer's Annual Financial Summary and all financial records for the fiscal year just ended for audit by the Local Chapter audit chair.

## Section 10. Adoption of Bylaws by Local Chapters

KPR Bylaws state that, "In order to carry out their activities, chapters shall adopt bylaws that conform to the KPR Bylaws and Policies and Procedures." Following are sample bylaws that a chapter shall adopt. An underscore indicates that information is to be entered in accordance with the chapter's decisions.
